WILDCATS

NASCAR

Brand & Sponsors

Questions and game appearance are completely customizable for your brand and sponsors. Prior to each question, display a Status View including current score, question number, and presenting sponsor.

Complete Synchronization

Synchronize hundreds or thousands of smartphone speakers, flashlights, and displays for a venue-wide, immersive experience.

1000

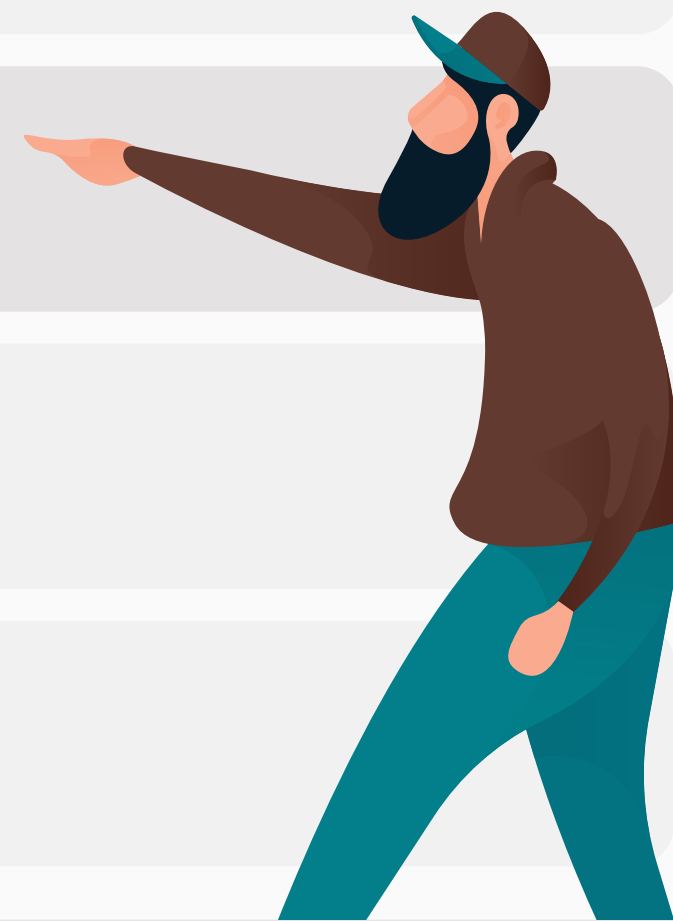

A.

B.

C.

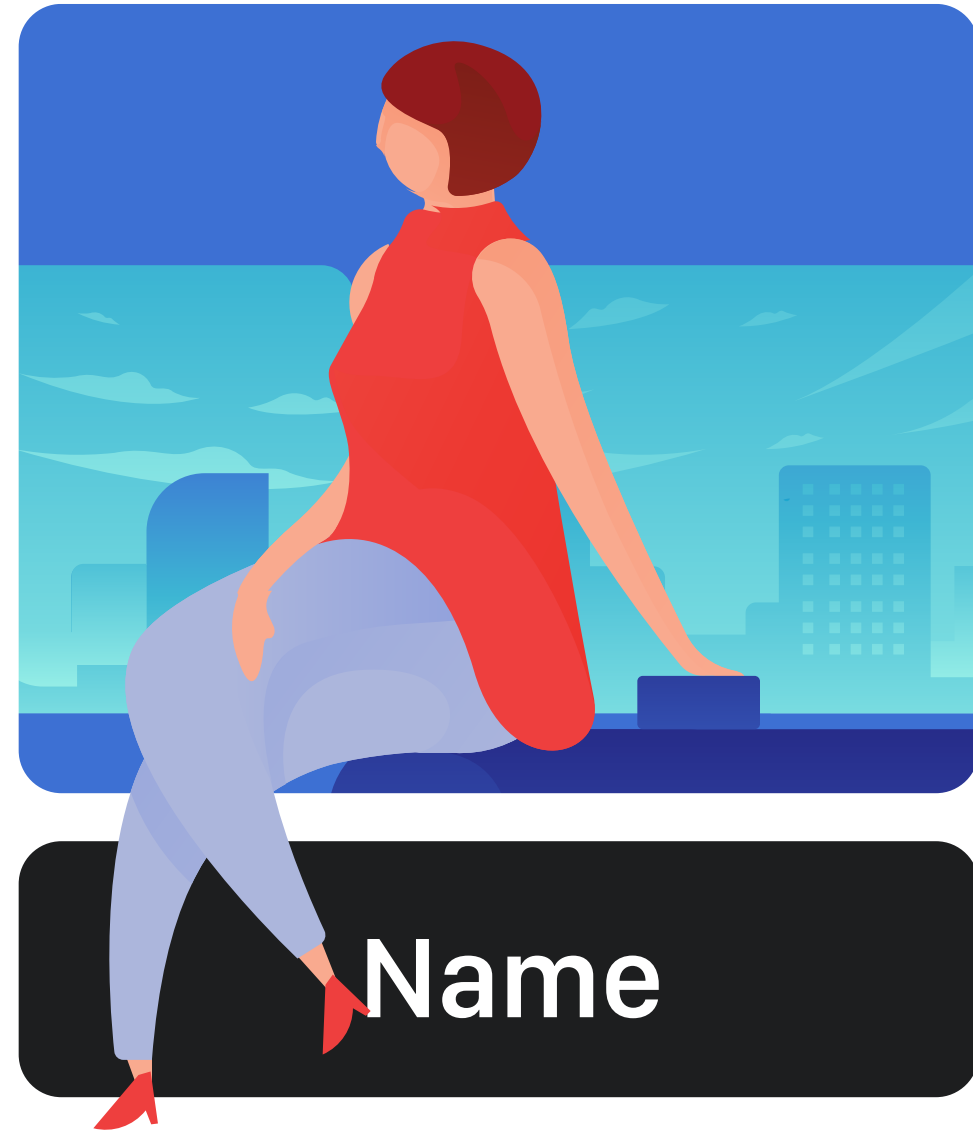

D.

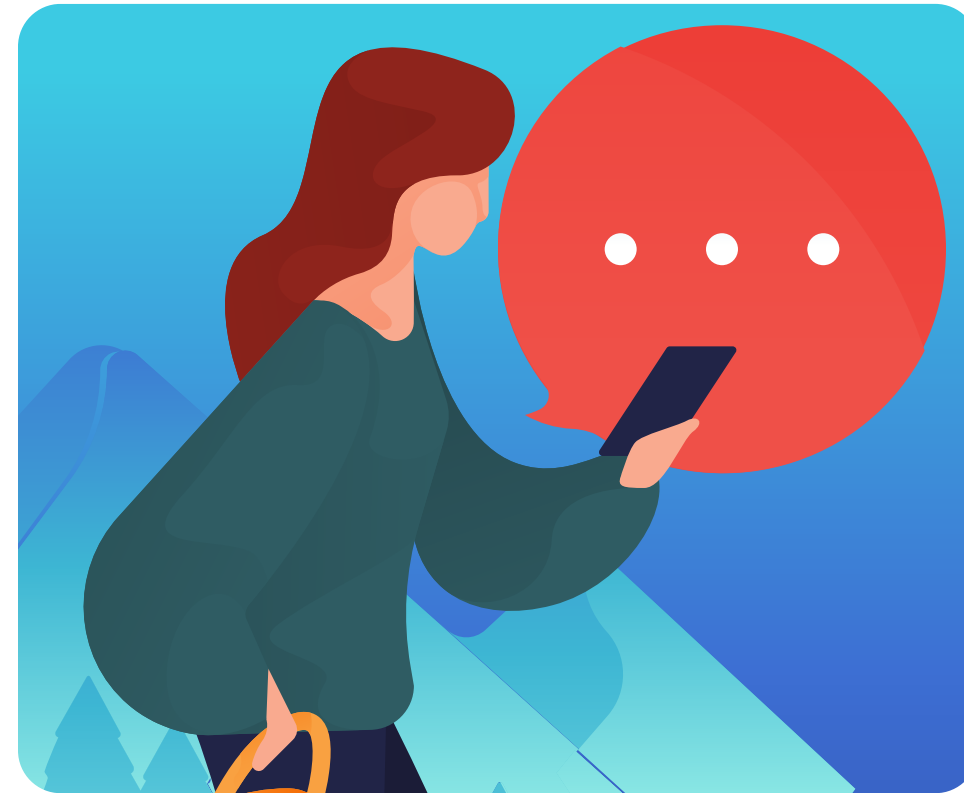

Current Ranking: 17th

Live Score & Ranking

Smartphone flashlights provide a visual indicator after each question, allowing fans to scan the crowd to see how many players answered correctly. Immediately following the game, players are informed of their individual performance and rank.
